Summary: It's a kinda long poem about how everyone feels about Cloud when he is gone.

Waiting- a FF7 poem

> <meta name="ProgId"> Waiting

Waiting

By Yuffie Valentine

This is set while Cloud is missing.

Tifa

I'll be waiting

Here in this world

Alone for the moment

Yes, I have friends

But I don't have you

A friend that I can't lose

I'll be waiting

Aeris

I'll be waiting

Till you come to see me

Or I come to see you

I still remember when I first looked at you
And I can't wait to look at you again

Forever I will be here

I'll be waiting

Yuffie

I'll be waiting

You gave me a chance

To prove I am brave

Even though I hurt you

You took me back

Now I have more then friends

I have a new family

All because of you

I'll be waiting

Barret

I'll be waiting

You became more then just a teammate

You became my friend

I have had few

We need to you come back and fight

So once again we can have a friend

Someone to watch my back

I'll be waiting

Red XIII

I'll be waiting

You help me find myself

My true family past

Believed in me

You unchained me

Saved me from the madness

Saved my life
I'll be waiting
Vincent
I'll be waiting
We are one in the same
Me and you were used by the same people
We hunt the same enemy
You hunt the son
I hunt the father
We hunt together
To get revenge
I'll be waiting
Cloud
I'll be waiting
For her
She always cheers me up
Soon we'll be together
I miss the rest of them too
Yuffie, Barret, Red XIII, Vincent
I'll be back soon to all of you
Just hold on
Till that time
I'll be waiting
Fin

A new type of poem writing I am trying out. Tell me what you think of it. As for the end in Cloud's part, which girl is he talking to, Tifa or Aeris? Review please!

End
